

Chapter 1

WHO IS GOD TO US ?

WE MUST UNDERSTAND OUR CREATOR GOD

Those who insist upon mystical universal unknowable spirit guides, multiple invented gods, or a mystical presence of a single god permeating all trees, rock, cobwebs, corn stalks, man, and all creatures, have truly perceived real spirit powers for certain. These spirits are demons deceiving them to believe they are helpers.

Also, those who believe in spiritual beings that they sense channeling to or through them and other spiritual beings of whatever that communicates to them through any Eastern mystical practices as Reiki, or yoga, or spiritual formation (meditative) practices of the modern "c"hristian Emergent Church, are also seriously defrauded by demon deception also.

Since there is rationally a single Creator God, His Word, and even considering any other possibilities rationally, teaches that there are fallen spirits, demons, doing all these things to deceive, in order to turn people against their single Almighty Creator God who governs all Creation, time/space, and all outside time/space..

Without any understanding of Attributes and Characteristics of our Creator with specific detailed knowable, confirmable, objective, irrefutable communication from Him to us, all is sheer imagination. All else is demonic influences, and hopeless emptiness and imaginations concerning spirits. These are nothing to base a hope of joyous Eternity upon, which could only be designed and regulated by a single Creator. All hope of man depends upon understanding his Creator God.

One can play with spirits all he cares, but we think it is more sensible to examine the objective claims of our Creator God Supreme. After we are done, we are sure that our Creator God will be much more attractive to you, than all experiencing of demon spirits.

Our Survival in Eternity is of Primary Concern

Only Valid Guide is Christian Scriptures

The purpose of this book is to understand our Creator God, and learn how we may be acceptable to Him for Eternal Life with Him.

Only the Christian Bible gives the answers needed. In the entire world, the Christian scriptures are the only reasonable means to be found in the entire world. These Scriptures say they are explicit teachings of our Creator God from outside our time and space. These scriptures then prove this by the detailed fulfillments of hundreds of prophecies over hundreds of years; the historical, mathematical, and linguistic coherency of the entire book written throughout many centuries through different people; confirmed archeologically and beyond statistical probability. The Bible is objectively true. Not founded upon subjective preferences, but objective fact, we believe His Word clearly and throughout teaches the means of this Eternal survival of man, by pleasing God. It teaches what God requires of us for survival in Eternity with Him.

The ancient manuscripts of Greek and Hebrew, relating to our Creator God, tremendously outnumber in the thousands, with incredible similarity and accuracy between them, over any other ancient manuscripts of any other historical figures or teachings.

No other writing in the entire world has these needed essential characteristics or claims of provided answers we seek about on Creator God. In the entire world, it is ONLY the Christian scriptures that have the only objective confirmable consistent irrefutable evidence of being God authored. No other writing comes close to this evidence of validity.

Further, no other Book claims to be identical to all reality (TRUTH) concerning the Creator God. This is a remarkable claim in the Greek scriptures of John 17:17, "the Word is the Truth of You." All who have made a serious effort to study the facts presented in the Bible, wherein confirmed and consistent writings over thousand of years and archeologically validated, have been totally convinced of its Truth.

Therefore, these scriptures:

- (1) will be our only constant guiding reference; and
- (2) we will use masculine pronouns to refer to God because these are the attributions within His given scriptures concerning HIM.

This Bible teaches what also is plainly evident in reason.

The end of man's being, if there is to be any meaning in life at all, is to be pleasing unto His Creator, to have his will and being in thorough harmony with the Divine Will and Being, and so to please God and enjoy Him and serve His purposes forever. What does His scriptures teach?

Our Creator God Has Definite and Defined Qualities.

FIRST There are qualities that no human can understand. We will call these **CHARACTERISTICS**. These are also the characteristics of idol or pagan concepts of a god. One might say they are Characteristics that make God understood by man as God. We shall consider six of them. They are:

1. Sovereignty—do whatever He wishes
2. Immutable—unchangeable, today and forever the same.
3. Spiritual—unseen but present, with no physical body
4. Omniscience—knows everything without exception of place or time simultaneously and contingently
5. Omnipresent—all places and all times simultaneously without exception
6. Omnipotent—all power, nothing impossible

These Characteristics cannot be understood or comprehended by man. These Characteristics can only be described but not experienced by man. Man cannot have fellowship, or even any relationship, with a god possessing only these Characteristics. Such a relationship or fellowship could be conceived more like an ant or even a one-celled amoeba relating to a human being. It is an impossibility.

Humans cannot relate understandably or have any even rudimentary means of understanding such a being. This may be why we have so many misdirected affinities to any spirit manifestations of any kind relating to these Characteristics. Many false doctrines and teachings concerning our Creator are a result of thinking of Him as purely a God of only Characteristics.

Very significantly, a theology based on only Characteristics is NOT relating to our Creator. It is a false god, a theology based upon worshipping a false god by definition. The word **pagan** means one who **worships a false god**. This is what it means, **one who worships a god conceived of having only Characteristics**.

Additionally, one may worship only a pagan god of Characteristics, but their religion is therefore, considered a **dead** religion, as it has no relevance to our

Supreme Creator God governed by Attributes.. In Revelation 3:1, the Church of Sardis, following what is surely the Catholic Church, the Church of Thyratira, is said to be having a name that they live, but are **dead**.. Despite it saying it worships Christ and is Reformed, this could mean they are doctrinally teaching about a god of only Characteristics, a dead idol god..

It must be emphasized that any god conceived of only Characteristics as described is exactly the description of a pagan god, demon deceptions, or anyone's imagination of a god. Pagan gods of man's imaginations or demons typically have no governing Attributes which we will describe next.. This is what makes pagan gods, pagan gods. They have NO governing ATTRIBUTES DEMONSTRATED TO MAN, only Characteristics.

They are just great big inscrutable, unknowable gods of man's imagination, a pagan theology. So the only reason for his actions are only reasonably explainable by saying he is sovereign, so he does whatever he wishes. This can be their only understanding of this inscrutable being.

SECOND There are qualities that give us understanding of our Creator. Our Creator also has what we will call **ATTRIBUTES**. These Attributes are the means by which He is understandable and may be comprehended by all people. An absence of what we are calling Attributes is distinctly what have always distinguished pagan unknowable gods of ancient times and even today.

The Bible teaches that our Creator God RELATES TO MAN by HIS FOUR ATTRIBUTES which natural (fallen) man today does not possess, after Adam and Eve sinned, but retains only a darkened understanding. These Attributes are four:

selfless **Love** as only possessed by God,
 exclusive **Truth** of reality as only God sees it,
 morally perfect pure "goodness" **Holiness** as only possessed by God,, and
 highest **Wisdom** as only possessed by God.

It is important that we see these Attributes as relating to our Creator God only. A god who has multiple wives and sons and daughters by natural birth is not a god of the Attributes above, according to the Bible. Nor is a god who awards his people in Heaven with multiple virgins to have carnal sex with, a god of the Attributes above, according to the Bible.

FROM NOW ON IN THIS ENTIRE BOOK, We will speak of our Creator God as having 6 CHARACTERISTICS, as described and defined, and 4 ATTRIBUTES, as described and defined. And these Attributes will be described as totally

governing all that our God does in His Characteristics. Therefore, He is not a pagan god.

Our Creator God is a Spirit and His Spiritual Being (qualities of existence) has Attributes which all his Spirit possessing creatures were given. These Spiritual Attributes of Himself were only given by our Creator to Angels and Adam & Eve. Only Angels and Adam (man) possess spirits. Animals have souls but not spirits.

Only Angels and man have created spirits. Man has a **spirit**, a **soul** (mind, emotions, and will faculties), and **body**. From these three parts of man, he may be said to be a tripartite being, just as God is a Trinity. God created man in His image. Also, this implies that Adam possessed God's Spiritual Attributes. When the first created humans, Adam and Eve, fellowshiped with God, they could understand and relate to Him because God gave them His Spiritual Attributes.

These Attributes are only knowable to us because God created Adam with a Spirit within him possessing these Attributes. as well as a soul (our mind, emotions, and will) and a body.

Because of possessing these very Attributes themselves in the Garden, even as Angels in Heaven, Adam and Eve shared time eagerly and joyously with their Creator, They eagerly and joyously awaited His visits to them in the evenings.

After Adam's sin and rejection from the Garden, with man's loss of possession of God's Attributes, our Creator has given us a wonderful means of understanding Him, because he has given to us a retained instinctual spiritual understanding that He has Attributes by which He may relate to his Created spirit beings today, so they may understand Him (Rom 1 and 2).

Thankfully, as God with these above Characteristics that make Him God, He has also personal Attributes that distinguish Him with qualities that make Him a God specifically related to all His intelligent spirit possessing Creations. These spirit possessing Creations are only Angels (and rebelling angels), and man.

IN THIS BOOK, we shall describe each of His Characteristics with their governing Attributes in relating to us. This combining of governing Attributes with Characteristics in contingent functioning will be a combination that will be perhaps startling and provoking many new understandings.

**NOW LET'S START AT THE BEGINNING
WITH ADAM FOR MORE DETAILS**

ADAM CREATED—GIVEN: Body, Attributes, Right-of-choice

(1) Physical Body. This is a first-time among God's spirit Creations, a physical body, even unlike God. As God, only man and Angels have a spirit component within them. But Adam is peculiarly given a physical body. We wonder why?

The answer is that with a body, God's plans for Restoring Adam's true fellowship with God is made possible.

(2) Attributes of God, understanding given to Adam. This enabled fellowship and understanding with God to be possible. Who could ever fellowship with a God of only Characteristics?

Fellowship is a relating of like comprehensions. This is true of all relationships, whether with animals, men, or God. We can have no fellowship with God if we have no comprehensions similar to God's comprehensions. We get these comprehensions from possessing a retained instinctual understanding, however darkened, of what is God-good, what is Truth, what is Holiness, and what is Wisdom.

Angels also possessed God's Attributes as the only other spiritual creation of God to have them. However, like Adam after sinning, the angels also lost possession of these Attributes, and only retain a knowledge of them also.

Many arguments in Theology occur concerning "choice," but little or nothing is ever said about Adam's fellowship by Attributes.

This understanding of Attributes as being determinative of all relationships to God is seldom considered, and involves several insights:

(a) Makes man responsible for Lost condition. It is this very retained yet darkened comprehension by fallen man of his Creator's Attributes, that make him responsible for his lost condition, if he doesn't repent and commit himself to God. He still retains a comprehension of God's Attributes as well as choice after being turned out of the Garden with the ability to choose Eternal Life.

Any natural person, that will, if even for a moment, suppose to a Creator God as existing, will admit to the following definitions in general, as being probably true about such a God:

Absolute **Truth**, must be reality, as only God can know.

Pure **Love**, must be totally selfless.

Holiness, must be pure perfect goodness, without impurities, moral perfection

Wisdom, must be making the best decisions. Highest Wisdom must be making decisions supporting Truth, Love, and Holiness, all simultaneously and compatible with each other simultaneously and contiguously with all occurrences and prayers of His saints throughout time.

(b) Allows the Holy Spirit's conviction. This retained comprehension of Attributes of fallen man enables the Holy Spirit to convict of sin, righteousness, and judgment. Man's comprehension can be illuminated as to his separated lost relationship to such a God of Love, Truth, and Holiness, and his need to respond to the provision such a Glorious God is offering him, by repenting and committing himself to His Lord and God for Eternity.

(c) God has fellowship with man-- made in God's own image with His Attributes and without sin. It is of extreme interest that Adam's Life of perfect fellowship with God in the Garden, did not include Eternal Life.

Remember, after acquiring his sinful choice nature, he was turned out of the Garden, "lest he eat of the tree of Life." Importantly, there is no record that Adam was informed that a "Tree of Life" existed among all the trees he could "freely eat." Interesting.

If he ate of the Tree of Life daily or even once, then he did possess Eternal Life himself, and he could not have lost his possession of Eternal Life by eating the forbidden fruit. God said, "lest he eat...of Eternal Life." But God turned him from the Garden, "lest he put forth his hand, and take also of the Tree of Life, and eat, and live forever." So the obvious conclusion is that he never yet had eaten of the tree of Life; yet without sin, he had fellowship with God, before he sinned, disobeyed God.

Perhaps, there were thousands of trees in the Garden. Only the Tree of Knowledge of good and evil was designated, as in middle of the garden. No other designations or naming of the "Tree of Life" was mentioned before he sinned.

The most logical and scripturally supported possibility, is that Adam's true fellowship with God definitely did not include Eternal Life possessed by Adam, We know that Adam never ate of the "Tree of Life," and that he never yet possessed intrinsic Eternal Life of God,

Lesson 1 A God of Holiness, Truth, and Love cannot allow a “sinning flesh nature” of our fallen Adamic bodies to possess Eternal Life.

Eternal life can only be given when our inherited fallen Adamic “**sinful flesh natures**” are removed by a means of God Himself to Restore us to Himself. This is just what He did by taking on a human nature, although sinless, and taking it to the grave, to Justly as only God could effectually remove our “sinful flesh natures” to His grave, and remove our past sins in His blood, so that then He can come into His cleansed vessels, and dwell in the spirits of those who would repent (reject themselves, turn for their own ways) and commit (put themselves under His orders) to serving Him as their Lord for Eternity.

And His indwelling and their obedience to His resident **Mind of Christ in their spirits (faith)** assures, leads, gifts, teaches, reveals, and empowers them to God-directed works which He produces and not ourselves. (Eph 2:8-10).

Lesson 2 Intrinsic Eternal Life of Attributes is required for sinful flesh nature human to fellowship or any relationship with God. A God of Attributes, not a pagan god, must be totally governed by His nature of Being of Attributes. This means He cannot possibly regard people as righteous and Holy simply because His resurrected Son sits in Heaven, while supposed human saints live carnal and evil lives on earth totally outside of His fellowship at the same time..

There cannot possibly be a lack of fellowship while they can have a saving relationship with God, as these carnal unholy people think. God is not a bestial monkey sitting in Heaven with His hands over His eyes, pretending he cannot see His saints sinning. He is an Omniscient Holy and Truth reality God at all times.

This thinking of a God playing an “as if” righteous of man is totally in contradiction of any understanding of God, and a totally false understanding of what our Lord did in dying and resurrecting for providing our Restoration to Him. Their totally blasphemous “**Penal Satisfaction**” **Appeasement**, is a theory first proposed by a Roman Catholic Monk, Anselm, who became Archbishop of Canterbury. In his book, *Cur Deus Homo*, about 1098 AD, he proposed an Atonement theory never before know to Christianity!!

The Catholic church, Luther, and Calvin and all of later Dispensationalism of 1900’s adopted it. But this theory was rejected by some Arminians. Hugo Grotius first proposed a “**Moral Government**” **Restoration** by a God of Attributes in the first Protestant textbook in Protestant apologetics (@ 1627). This Restoration teaching was later promoted by John Miley, a

Methodist theologian, and Kenneth Grider, a Nazarene theologian, and numerous others for the only valid plain scriptural teaching of the Atonement, clearly described in all scriptures since Christ on earth.

Understanding God's moral Attributes as governing His behavior in all things is essential in understanding scriptural Restoration of sinful men to any fellowship in relationship to a Moral God of Moral Attributes. He is not just a great big pagan god of Characteristics only as in Calvinism and Dispensational teachings. This is detailed in Chapter 4, concerning God's Omniscience.

Lesson 3 But our obedience is required, just as it was required of our Lord. Only a Holy and righteous relationship to our Heavenly Father through our obedience to the indwelling of His Son (faith) in us makes us righteous and Holy in His sight. Our obedience to His indwelling Mind, called faith, is the means of our righteousness and Holy Living here on earth. And Christ in us produces the God-good works through us, just as the Father produced the God-good works through Christ while on earth;

"Seest thou how faith wrought with his works, and **by works was faith made perfect?**" (James 2:22)

"Ye see then how **that by works a man is justified**, and not by faith only" (James 2:24).

"For as the body without the spirit is dead, **so faith without works is dead also**" (James 2:26).

. For I came down from heaven, **not to do mine own will, but the will of Him that sent Me**" (John 6:38).

"**I can of mine own self do nothing:** as I hear, I judge: and My judgment is just; because **I seek not mine own will, but the will of the Father which hath sent Me**" (John 5:30).

"Believest thou not that I am in the Father, and the Father in Me? The words that I speak unto you **I speak not of Myself**, but the Father that dwelleth in Me, **He doeth the works**" (John 14:10).

"That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that Thou hast sent Me. And **the glory which thou gavest Me I have given them;** that they may be one, even as we are one:

I in them, and Thou in Me, that they may be made perfect in one; and that the world may know that Thou hast sent Me, and hast loved them, as thou hast loved Me" (John 17:21-23).

THEN AFTER HIS RESURRECTION, the first thing He said to His disciples is, "Peace be unto you. **JUST AS MY FATHER HAS SENT ME, ALSO I AM SENDING YOU**" (John 20:21). "The father that dwelleth in Me, "He doeth the works" (John 14:10)

Our Lord taught repeatedly, "Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; **ONLY he that is doing the will of my Father who is in heaven**" (Matt 7:21).

Lesson 4 Only a sinless Spirit and mind, of a Spiritual Attributes (Love-Truth-Holy-Wisdom) possessing being, can fellowship in relationship with God. This is made possible by a new birth-from-above possessing the Attributes of God Himself, Restored Attributes into man's spirit, again by the Holy Spirit Mind of Christ indwelling our renewed spirits, while we remain on earth. ".....Not of ourselves, it is the gift of God (Himself)"....in the way of good (agathos =God-good) works" (Eph 2:8-10).

We may now see the importance of God's Attributes relating to man. Without man possessing and Living in respect of these Attributes through the indwelling Holy Spirit, he can have no relationship to God. Our Lord came to earth in a human yet sinless flesh body nature to take our sinning flesh natures to the grave and then rose from the dead to Justly (righteously, rightfully) Restore to us, His now cleansed vessels, His indwelling Life Attributes again. That is why the redemption mentioned in 1 Cor 1 30 is best translated as Restoration.

"But of Him are ye in Christ Jesus, Who of God is made unto us wisdom, and righteousness, and Holiness, and Restoration" (1 Cor 1:30).

Our Restoration to fellowship with God, in like manner, depends upon us being without sin by virtue of a new birth-above in righteousness and true Holiness, while we also do not yet possess Eternal Life, just like Adam did not. But in our new birth-from-above, we are restored to an indwelling of God's Attributes. Now we can fellowship again with God, as Adam did, but in God's unseen Spirit while in a world of evil.

But God the Father now fellowships in relation to us by unseen Spiritual gifts, visions, dreams, teaching, and leadings and actual fellowship, much as Jesus experienced the Father in a much greater way to be sure. But Jesus was giving us His example for us to follow Him. As He said, "my sheep are hearing My

voice, and I am knowing them, and they are following Me" (John 10:27). Read this literally.

This was our Lord's intention to come to earth. Read carefully.

"For I came down from heaven, **not to do mine own will**, but the will of Him that sent Me" (John 6:38).

"**I can of mine own self do nothing**: as I hear, I judge: and My judgment is just; because **I seek not mine own will**, but the will of the Father which hath sent Me" (John 5:30).

"Believest thou not that I am in the Father, and **the Father in Me**? The words that I speak unto you **I speak not of Myself**, but **the Father that dwelleth in Me , He doeth the works**" (John 14:10).

"That **they all may be one; as thou, Father, art in me, and I in thee**, that they also may be **one in us**: that the world may believe that Thou hast sent Me. And **the glory which thou gavest Me I have given them**; that they may be one, even as we are one: **I in them, and Thou in Me**, that they may **be made perfect in one**; and that the world may know that Thou hast sent Me, and hast loved them, as thou hast loved Me" (John 17:21-23).

THEN AFTER HIS RESURRECTION, the first thing He said to His disciples is, "Peace be unto you. **JUST AS MY FATHER HAS SENT ME, ALSO I AM SENDING YOU**" (John 20:21). **"The father that dwelleth in Me, "He doeth the works"** (John 14:10). Read John 17:21-23 above, again.

It is a Lord Jesus Christ salvation through faith (Mind of Christ) IN YOU, not of "works" salvation of self "dead" works, "that any man could boast.". "It is by a gift of God (Himself INDWELLING YOU).....IN THE WAY OF good (*agathos*, God-good) works which God hath before ordained that we should walk in them." (Eph 2:8-10). **"He doeth the works."** "Ye are the Temple of the Living God; as God hath said, **I will dwell in them and walk in them**, and I will be their God, and they shall be My people " (2 Cor 6:16).

"He that saith he is abiding in Him ought himself also so to walk even as He walked" (1 John 2:6).

Adam's true fellowship with God definitely did not include Eternal Life

To insist that fallen post-Adamic man on earth possesses Eternal Life for eternity while he can sin as he wishes is total blasphemy, and a great error in thinking. If he will possess Eternal Life, he cannot sin as he wishes to possibly receive Eternal Life in Heaven. Man's choice has never been removed from him.

Our Lord Jesus Christ taught plainly, "Not every one that is saying unto me, Lord, Lord, shall enter into the Kingdom of Heaven; **ONLY** he **that is doing** the **will of my Father which is in Heaven**" (Matt 7:21).

No such thing as “only trust in Jesus as your Savior only and you are guaranteed Heaven.” They say it is “their trusting alone” through “their Savior’s Love alone.” There is nothing in scripture that teaches these simplistic false clichés. Even the Reformers who coined the misinterpreted and wrongly defined phrases, “grace alone, through faith alone,” vigorously stated that these were not without God-good works in order to get to Heaven. Incidentally, where is obedience in these clichés? Didn’t Christ teach, “Not every one that saith unto Me, Lord, Lord, shall enter into the Kingdom of Heaven; **ONLY he that is doing the will of My Father Who is in Heaven**” (Matt 7:21).

It is not until we learn that true **Method** of God, **Grace** is **“Christ in you (Faith), through your obedience, doing what you cannot do:”** by that **Means** of God, **Faith** is **“the Holy Spirit Mind of Christ in you,”** that those cheap clichés so lightly spoken today take their sad reflections of real ignorance. But how many people or Calvinists or Lutheran or any pastors or teachers of Dispensationalism do you know today that understand these True scriptural Truths?

As James said, “Even so faith, if it hath not works, is dead, being alone” (James 2:17). Our indwelling Lord produces the God-good works, just as the Father did the works through the obedience of Jesus. These works are not ours, just as Jesus said they were not His (John 14:10), they must not be without God the Father Himself directing. Also, James added, “For as the body without the spirit is dead, so faith without works is dead also” (James 2:26). If one is truly obedient to His indwelling Lord, faith (the indwelling Mind of Christ) will produce His Father’s God-good works.

Man, as a restored Adam by Christ's indwelling Mind and Attributes, does not possess eternal Life which is now only in Jesus Christ indwelling (faith) to assure, guide, teach, gift, reveal, and empower us in the way of good (agathos = God-good) works. And it is our works, by which all people, saved and unsaved, shall be judged for Heaven's Eternal Life or hell. Final Judgment of all people (born-from-above or not) is by God the Father’s one impartial question, **“Do you have any God directed and accomplished God-good work through you, or only self directed self-evil works?”** (Rom 2:6-11 and over 50 other scriptures)

We may fellowship with God, just as Adam did in Holiness and Righteousness on the earth, and walk again with God and do God's Will, while not yet possessing Eternal Life itself. He only gets Eternal Life after his judgment according to his works, whether good (directed by God, through obedience of faith) or bad (directed by self-serving).

A sinner was not allowed in the Garden, having lost his relationship to God, nor does a sinner anywhere described in scripture exist in any relationship to God.

God said "in the day you disobey me (sin) you will die." To Spiritually "die" or be "dead" meant he was separated from God. The relationship was severed. Spiritual death does not mean ceasing to exist or annihilation, it means separated from the Spirit Attributes of God Himself.

If God wouldn't allow a sinner (disobedient) in the beginning to have access to gaining Eternal Life intrinsically into himself, why would He do that today? Has God changed? Has He changed His way with man? Is He immutable, unchangeable? Yes, most definitely. Does God play "as if" games like a bestial monkey with His hands over His eyes at our sins?

But Adam continued to exist, but was "DEAD in sin," so God rejected him from the Garden so he could not possess Eternal life from the Tree of Life, and still possess a sinful continuously sinning nature. This means totally separated from God. Dead at no time or manner means spiritually ceasing to exist or function or with any inability, as the Calvinists like to teach.. So, in like manner, all mankind is lost, DEAD, meaning spiritually separated from God. But God planned man's Restoration to Himself by another product of His great Wisdom from the beginning, "Right-of-choice."

(3) Right-of-choice is given to man by God. This right of choice was NOT given to God's Angels. As all Spirit creations (only Angels and man), Angels have choice also, but not "right-of-choice." But God's Attribute of Love requires choice to all of His Spirit related Creations.

God in the Garden after Creating man with a physical body, said, "You may eat of any tree (you may choose), but don't (disobey) eat of one tree." Therefore, man was given the "right-of-choice" regardless of what that choice was, to obey or disobey. He had never given that to any other creation. IMPORTANT !!

[[[**Note:** By "**choice**" we mean only an ability to choose, between alternatives laid out by God. But we are directed to choose only the alternative directed by God. He directs, and to choose what He does not direct is disobedience requiring separation from Him. But in His Restoration Wisdom He gave only to man "right-of Choice." By giving this, man can obey or disobey, but having right-of Choice, he can still obtain salvation, unless he disobeys with full-knowledge of the Heavens and Miracle-Powers (Hebr 6:6). No other creature is given this privilege.

And the only means we may have to know what He directs us to do, is by being first, born-from-above, by repenting (rejecting self altogether) and committing to His Lordship (directions), given to us by His subsequent indwelling of His Holy Spirit Mind of Christ (called faith) to direct us in our obedience to Him forever after.

To act otherwise by simply reading the Bible and interpreting it according to the teachings of men (man originated interpretations and doctrines), we are being Pharisees, going according to the dead letter of the scripture and not the Holy Spirit of God (2 Cor 3:6). And Pharisees (no case, not one) will enter the Kingdom of God (Matt 5:20). They walk as dead men according to their own choosing (interpretations), workers of lawlessness (Matt 7:23).

The Holy Spirit of God never contradicts what the Holy Scriptures teach in Greek NT. But what does the Greek NT teach? Answer is *Hermeneutics*, in Doffun.com; and this ebook, Appendices E and G, and throughout this website, Doffun.com.

In Perfection of obedience in Heaven, Angels are never given a "right" to decide their own alternatives. No "right" to choose between alternatives is given. For the angels to exercise their ability to choose their own alternative, without a right being given, they were in disobedient rebellion. With their intimate knowledge of God's Attributes and Presence, this is "the" unforgivable sin, blasphemy against the Holy Spirit of God, rebellion of the worst kind (Matt 12:31).

This is why man, Restored to the Attributes of God, as the Angels cannot then choose their own alternative as the Angels did. Such Restored men may be wayward and disobedient in their walk with God, as our example of the Israelites, but to finally reject God's Will and direction for them, after experiencing the extreme Presence of God and His manifestations to them, is the unforgivable sin (Hebrews 6:6). All restored, born-again, men must avoid their Kadesh-Barnea, where they finally refuse God's purpose for their lives and reject God Himself as worthy to rule their lives. They may outwardly play church all the rest of their lives or not, but be totally lost in their rebellion.

By "**right-of-choice**" we mean a "right" to choose between alternatives given by God, whether in obedience or disobedience.]]]

Without the right-of-choice for obedience or disobedience, and then the Loving sinless incarnate body Retoration by God Himself, the Restoration of man and exaltation of God's Attributes for all Eternity would not be righteously and Justly (Spiritual Perfect, Gloriously) demonstrated by God. Satan's rebellion would not be exposed as the insane shameful rebellion that it was.

As God has choice, in His Love and Wisdom, he gives choice also to this Spirit possessing creatures, Angels and man. It is a simple choice to man, walk in all the Attributes Restored to you by indwelling Lord Jesus Christ or not. True

fellowship in Love, Truth, and Holiness requires free choice of each party.
 And True fellowship is a choice of relating in like comprehensions of Attributes.
No other fellowship or relationship to God is possible by any means.

Any fellowship or relationship by “Penal Substitution Appeasement” (as originated by a Roman Catholic in 1098 AD, and taught by all Calvinism and Dispensationalism since) fails miserably to explain how a Holy Truth Omniscient God can have any fellowship or relationship to carnal men, who are not made righteous or Holy by any means on earth in their entire being, as this pagan false Catholic/Calvinist/Dispensational theory of Atonement insists. Penal Substitution is not found in scripture whatsoever. See Chapter 4, under Omniscience and Atonement and Justification/Sanctification Sections in Doffun.com.

The Restoration (Atonement) of man to a fellowship with God is entirely dependent upon God initially giving the Spiritual alternative of "right-of-choice" to man, to be obedient again OR stay disobedient. Free choice of obedience to Attributes of God is the only way to have a relationship or fellowship with God, while on earth in preparing for Eternity. Both require a true mutual relationship in Attributes provided by our Lord to His obedient born-from-above Sons of God (Rom 8:14).

A God of Truth and Holiness can't close His eyes as a bestial monkey and play "as if" games of "being in Christ" so our sins don't count, because the Father can't see them hidden in Christ, they say. But the scriptures say “ye are dead, and your Life is hid with Christ in God” (Col 3:3), not our sins. We are all continuing sinners and can't help it, they say, but isn't it wonderful our sins are hid in Christ from God, He paid their penalty past, present, and future. What a delusion!

This is Blasphemy against God's death on the cross for us, to take our sinful flesh natures to the grave, in order to Justly restore us to His Righteousness and True personal Holiness in this His indwelling Life on earth in us!! (See Eph 4:24 and Luke 1:75) **“God forbid, how shall we (future, active, indic.), that have died (599, *apothnesko*, to die, soul and spirit separated from body of flesh nature, aorist active indic.) to sin, live any longer therein” (Rom 6:2). Also, “Wherefore, if ye died (599, *apothnesko*, separated from body of flesh nature, aorist active indic.) united with (*sun*) Christ separated from (*apo*) the principle elements of the world, why, as though living in the world (*kosmos*, satan's kingdom) are you acting out ordinances” (Col 2:20). A correct understanding of the scriptures would make anyone vomit at the “penal substitution of Atonement” unscripturally taught by the Catholic church and all Calvinism and Dispensationalism since.**

God's perfect Restoration of us now means that sins (self directed acting) are not allowable anymore in Christ Jesus. This is why lost men of the world instinctively

smile in sarcasm at so-called Christians sinning. These lost men still retain a darkened understanding of Attributes of God, retained from the Garden. They instinctively know this shouldn't be. These so-called "christians" have the worst reputation in the business world for not keeping their words or down-right dishonesty. Ask anyone that has been experienced in the world of high business.

Even a lost man knows something, the young born-again Christian may not "consciously" comprehend. A true Christian's pledged (committed) goal is to not sin, but walk in Holiness, Truth, and Love, in Wisdom during his new Life on earth, "seeing that ye have put off the old man with his deeds; and have put on the new man, which is being renewed (pres, pass, partic) for the result and purpose of (eis) full-knowledge (epignosis) according to the image of Him that created him" (Col 3:9-10). There is no "new man, in the image of Him" created in Christ, walking around on the earth by the "penal substitution Atonement" being taught today. It is all an "as if" game to these people.

As when Adam disobeyed once, he lost his Attributes, and was rejected from fellowship and any relationship to God. He was separated from Life of God, and called "dead" thereafter. Without possessing the Attributes of God and being obedient in them, there is no fellowship or relationship even possible. "Ye must be born-from-above" (John 3:7) and continually obediently committing to and following your Lord's Living in you (Col 2:6).

Rebelling spirit angels exercising their choice, cannot be restored. They had been given NO right-of-choice, no alternative of choice. They are, therefore, un-restorable to God. We are told in scripture that God planned all this before the foundation of the world, knowing that Spiritual Angels possessing His Attributes would use the God-given Spiritual choice to rebel from His selfless Love. And so we have an insight into the whole plan of God's Restoration and creation of man when "right-of-choice" was conceived for man only.

Deliberate "full-knowledge" (Hebr 6:5) established rebellion against God, is the unforgivable sin (v. 6) for men or rebelling angels. This was the sin of the satan (the rebel) and his angels. Only a very few men have ever reached this fifth stage experience (Heb 6:4-6) of "full-knowledge" of the Holy Spirit's revelations of the powers of the coming age (v. 5), as the Angels. So most all can be forgiven through true repentance and commitment to His Lord God.

We are living in the latter days of GREAT spiritual deceptions, which are soon going to get extreme. Deceptions will be so great that the very elect (those seen ultimately in Heaven by God) might be deceived. Channeling or out of body experiences with any communicating spirits of any type or manner is not of the Holy Spirit. It is demon deceptions.

This is evident because even lost self-serving men may experience these spiritual phenomenon. Therefore, they have not committed this unforgivable sin, against the Holy Spirit. They are deceived by demons, and they remain for God's Perfect Restoration to Himself, if they see their folly and would only repent and commit themselves to obediently serve their Creator and Lord God for Eternity.

Wait till we start seeing miraculous healings and great miracles by demons before our eyes, and the eyes of the world, and today's church players will be even more deceived than now.

(4) WITHOUT GOD'S ATTRIBUTES, Man's Religion Is his Ruin.

He would be a god of ONLY Characteristics, ruling by sovereignty, without giving all fallen mankind the Loving necessity of right-of-choice of alternatives with regard to God's Attributes offered for fellowship with Him. He would just be an imaginary pagan god, yet worshipped throughout the so-called "c"hristian world. A dead religious world, morally incompetent, totally incompetent of Attributes of God, yet wanting desperately to please their imaginary god for eternal salvation.

We can see that without the Attributes of God Restored to us **[[** by Christ's Dying/resurrection Restoration offered to us and our new-birth with indwelling of His Mind of Spirit (faith) for His Fellowship and His directed works **]]**, we can have no relationship to God, nor can we have any choice of alternatives. We are otherwise NOW separated ALREADY from God by our OWN self-choosing as the satan. No other choice is possible for any acceptability to our Creator.

The only alternative would be having a god of only characteristics, and that we ARE like this pagan god. This is not offered by God, nor ever will be, except in our imaginary self-choosing preferences as devoted Godless worshippers of a god of our own making, an idol in imaginations OF OURSELVES, just as the satan does.

Remarkably, today, the Emergent church is falsely providing just such impossibility to people as a possibility. They teach, to just practice mystical means of Catholic and/or Eastern religions to experience that you are actually a god, that "god is all," and god in all," and that there is "inclusiveness for all." This is exactly the mind of satan, and his purposes in saying, "I will be like God," and all the while denying every Attribute of their Creator God. "Anything is now possible for me," they say, just like the satan said in Isa 14:14.

And what is society intending and supporting today? Hate Holiness (morals). Hate Godly exclusive scripture doctrines (teachings). Hate devoting oneself EXCLUSIVELY to a God of Holiness, Love, Truth EXCLUSIVE, and Wisdom. Hate wanting political Holiness and ABSOLUTE Truth and Love in Wisdom to

prevail. Hate any morals (HOLINESS) whatsoever. Hate teaching children to live by the Attributes of God. Hate parents wanting to educate their own children in Godliness of His Attributes. Hate property rights of all people, given in God's Commandments. Hate any government demanding morals. Hate any Godly justice system based on God's Attributes. Hate multitudes of more hates, that satan also hates. HATE anything exclusive or hindering to self-pleasing choices. LOVE the satan's way.

In these latter days, satan has so blinded the minds of all societies, that satanic Marxism in Socialist government and satanic religious pursuits are now dominating the world. They call this the New World Order. Satan's original stated purpose for us was the same as for himself: "You shall be as God." And we got to this thinking, by believing the satan's first lie, "Surely, you will not die," if you disobey God (unconditional eternal security)." This lie has been rabidly taught in USA by most all the most popular Bible teachers and preachers for the past 100 years. And look to what we have become, TOTALLY SATANIC "ORTHODOXY."

Today, atheism's simple denial, is replaced by the satan's pure hate of a God of Attributes. Overt satanic hate is now ruling in our government and society to destroy any vestige of God's Attributes in the lives of all people. Unlike atheists, satanists admit that a Creator God exists and they hate Him and want to take as many as they can to hell with them. Our society is now proudly marching to Sodom and Gomorrah very fast because of these Marxist satanic Socialists.
